January-December
Vol. 41, Nos. 1-12

FOR CONSULTING ENGINEERS, MECHANICAL (HEATING, PIPING & AIR CONDITIONING CONTRACTORS, AND ENGINEERS WITH PLANTS AND BIG BUILDINGS

1969 VOLUME INDEX

HEATING PIPING & AIR CONDITIONING

Subject Index 2
HPAC Data Sheets 9
HPAC Engineering Data Files 9
HPAC Legal Pages 9
NLRB 9
What's New in Europe 9
Computer Corner 9
Question of the Month 9
HPAC Conference: Air Systems 10
Author Index 10

THE VOLUME INDEX lists the feature editorial material appearing in Heating, Piping & Air Conditioning, and also items from the Open for Discussion, You'll Want To Know, and other departments of the magazine. This material is indexed by type of system, construction, or function. For example, the article "Determine Cooling Energy Use at Las Vegas Junior High School" is indexed under the key words "Cooling," "Energy," and "School." In addition, HPAC Data Sheets, HPAC Engineering Data Files, HPAC Legal Pages, and HPAC conference papers are indexed separately.

A month and page number that appears in italics in the index refers to comments on the indexed article. These comments appeared in the Open for Discussion pages.

Heating, Piping & Air Conditioning is published monthly by Reinhold Publishing Corp., a subsidiary of Litton Publications, Inc., a division of Litton Industries, 10 S. LaSalle St., Chicago, Illinois 60603.

SUBJECT INDEX

A

Adjustable Pitch. On Pressure Curves, System Resistance (Open for Discussion), by C. J. Trickler .....*Jan* 105
Air Balancing, Testing? What Accuracy and Where in (Open for Discussion), by J. Gladstone, ...*Apr* 75; *Jul* 68
Air Calculations. Graph Minimizes Supply, by G. B. Ramsey .....Sep 100
Air Compressors Used in Pneumatic Control. Eliminate Oil Throwing by, by A. D. Sullivan .....Mar 104
Air Condition Shopping Mall. Single Duct, Variable Volume System Will .....May 83
Air Conditioning for Air Mobile Color Photo Processing Labs .....Jul 56
Air Conditioning Control. Fluidics Comes of Age in, by R. C. Mott and D. Spethmann .....Sep 85
Air Conditioning Duct Systems. The Application of Computers to, by R. P. Hankins, Jr. .....Feb 96
Air Cooling Induction Systems. Evaluating All-, by M. Meckler .....Jan 177
Air Distribution. Principles of Room, by H. E. Straub .....Apr 122
Air Filters. Efficiency Testing and Application of, by J. W. May .....Mar 140
Air Handling Unit Analysis, by R. W. Flanagan .....Mar 131, *Dec* 39
Air Handling Units Merit Careful Consideration (Open for Discussion), by M. A. Bell .....*Dec* 42
Air Handling Units. Selecting Fans for Field Fabricated, by J. B. Graham .....Mar 135
Air Leakage to Vacuum Systems. Nomograph Gives Quick Estimate of, by J. F. Kuong .....Jun 115
Air. Nomograph Determines Specific Volume, Density of Moist, by J. K. O'Hara .....Feb 117
Air Pollution. Chicago Laws Fight Against .....Dec 32
Air Pollution Control, Industry Recruitment Topics for American Power Conference Meeting .....Apr 34
Air Pollution Control Standards. Six Metropolitan Regions Must Develop, Implement .....Apr 40
Air Pollution Control Systems. Supplier Often Called On To Design, Select .....Oct 45
Air Pollution Engineering Manual .....Feb 28
Air System Design, Fan Selection. Use Total Pressure in, by J. W. Markert .....Oct 70
Air System Designer's View. The First National Bank: by R. J.

Salinger and T. Kanazawa .....Sep 140
Air System. Fan Pressure Distributions in a Ducted, by E. Brandt .....May 127; *Jul 67; Sep 67*
Air Systems. How To Control, by N. J. Janisse .....Apr 129
Air Systems. Noise Control in, by L. F. Yerges .....Mar 144
Air Systems. On the Use of 100% Outside (Open for Discussion), by G. Lundskow .....*Apr 76*
Air Systems. Terminal Equipment for, by D. Rickelton .....Apr 112
Air Systems. Variable Volume, by E. C. Jones .....Jan 172
Air Transportation: Impact on the HPAC Industry, by U. Nisargand .....Nov 79
Air, Water Pollution a Major Topic at AIPE's First International Seminar .....Mar 42
Airport. All-Electric Heat Reclaim System Will Serve New International .....May 72
All-Air Cooling Induction Systems. Evaluating, by M. Meckler .....Jan 177
All-Electric Heat Reclaim System Will Serve New International Airport .....May 72
All-Electric Office Building Serves as Energy Utilization Lab, by I. A. Naman .....Jan 127
All-Electric System for Office Tower Perimeter. Choose Decentralized, by B. Fellenbaum .....May 149
APEC Expands Duct Design Program, by A. De Chiara .....Apr 144
APEC and the Mechanical Contractor, by J. R. Ahart .....May 175
APEC Moves Toward System Approach in Automating Design, by D. R. Bahnfleth .....Jan 199
APEC's Load Program. How One Office Uses, by E. C. Jones .....Jun 123
APEC: What It Is, How It Has Grown, by B. Birdsall .....Sep 133
Apprenticeship Training. SMACNA Labor Forum Probes Standard Union Agreement Form, ...Jul 46
Aquarium. Glass Fiber Reinforced Epoxy Piping Supplies Treated Water to .....May 76
ARI Drafts Suggested Standard Contract Form To Serve as Guide for Subcontractors .....May 78
ARI Standard Helps Predict Outdoor Noise .....Nov 42
Auto Repair Shops. Pointers on Ventilation of (Open for Discussion), by A. Krapek .....May 104
Automated Data System To Be Developed for Evaluating Model Cities Program .....Mar 52
Automating Design. APEC Moves Toward System Approach in, by D. R. Bahnfleth .....Jan 199

B

Balancing Depends on Comfort. System (Open for Discussion), by P. J. McCurdy .....*Jul 69*
Balancing. How Venturis Assure Hydronic, by R. R. Miller .....Oct 92
Balancing Interest Is Not New. Testing (Open for Discussion), by H. J. Couch .....*Feb 67*
Balancing, Testing? What Accuracy and Where in Air (Open for Discussion), by J. Gladstone .....*Apr 75; Jul 68*
Bank: Air System Designer's View. The First National, by R. J. Salinger and T. Kanazawa .....Sep 140
Bank: The Owner's View. The First National, by R. H. Short, Jr. Sep 140
Bank: Water System Designer's View. The First National, by D. L. Grumman and W. L. Plucinski .....Sep 140
Bank's Snow Melting System. Use Plastic Coated Steel Pipe for ....Mar 101
Bargain. A New Remedy for Refusal To .....Aug 124
Boiler Feedwater Chemical Treatment Programs. Evaluating, by R. T. Blake .....Feb 86; *Aug 51*
Boilers? Why Treat Water for Heat Load Steam, by E. T. Erickson .....Aug 72
Boycotts. The Complexities of ....Jan 337
Boycotts Discussed at ARI Meeting, Steitler Elected President. Avoiding Product .....Jan 52
Boycotts Discussed at CEC-AIA Conference. Equal Employment, Product .....Jun 34
Brackish Water Desalting Plant Will Handle 2 Million gal per Day ..Mar 52
Burner/Condenser Combination May Offer Answers to Many Combustion Problems. .....Dec 26

C

Campus Building. Evaluate Cooling Sources for Existing, by J. S. Blossom .....Nov 86
CEC Opposes Federal Claim of Too Few Waste Treatment Designers .....Nov 50
Ceiling System for University's Library Addition. Environmental ..Jun 42
Charts Aid Radiant Heat Transfer Calculations, by F. Caplan .....Jan 187
Chemical Treatment Programs. Evaluating Boiler Feedwater, by R. T. Blake .....Feb 86; *Aug 51*
Chillers. How Computer Controls IMF Building, by A. F. McCrea ....Jun 77
Chromates in Most Heating Systems. Wouldn't Use (Open for Discussion), by W. M. Marcinkowski *Aug 51*
Clean Room for Color TV Tube Production. Vertical Laminar Flow Mar 42
Clean Rooms. Return Air Through Perforated Panels in High Bay Laminar Flow, by D. W. Stanfill and J. C. Little .....Dec 68
Code for Pressure Piping. Interpret Queried Sections of .....May 71; Jul 89
Coil Selection Program Will Be Introduced at Heating, AC Show. Computerized .....Jan 58
Combustion Problems. Burner/Condenser Combination May Offer Answers to Many .....Dec 26
Comfort. Man, His Environment, His, by A. P. Gagge .....Jan 209
Composite Drawing Is Fine, But .... Coordination by (Open for Discussion), by L. O. Paul .....*Nov 57*
Composite Drawing Not Needed If Designer Does His Job (Open for Discussion), by H. Kreisman ..*Nov 58*
Composite Drawings—Key to Coordination, by A. Steele .....Sep 109; *Nov 57*
Composite Drawings: Most Efficient Approach (Open for Discussion), by J. A. Courter .....*Nov 57*
Composite Drawings. Must Allow Time, Specify Procedure (Open for Discussion), by B. A. Pope ....*Nov 58*
Compressed Air. How To Dehumidify, by C. L. Ringquist .....Jul 127
Compressed and Flammable Gas Cylinders. Safety with (Open for Discussion), by J. A. Courter .....*Jan 110*
Compressor Field Test Proves Delivery of Rated Capacity, by A. D. Sullivan .....Aug 74
Compressors Traced to Misguided Attempt at Economy. Noisy, by A. D. Sullivan .....Dec 83
Compressors Used in Pneumatic Control. Eliminate Oil Throwing by Air, by A. D. Sullivan .....Mar 104
Computer. Calculating Heat Gain, Heat Loss on the Desk, by D. R. Harper .....Jul 105
Computer Controls IMF Building Chillers. How, by A. F. McCrea Jun 77
Computer Simulation of Fires Tested .....Nov 40
Computer. Survey Shows How Mechanical Contractors Use Digital Mar 41
Computer. Twin Tower World Trade Center Complex Fully Monitored by .....Jul 44
Computerized Coil Selection Programs Will be Introduced at Heating, AC Show .....Jan 58
Computers to Air Conditioning Duct Systems. The Application of, by R. P. Hankins, Jr. .....Feb 96
Computers, Expansion Joint Failures: Topics for IDHA Meeting. Use of .....Jun 42

Computers. Mechanical Design for Blue Cross/Blue Shield Offices, by R. R. Miller and D. H. Fischer ....Aug 55
Computing Depreciation. Engineering Economics: A Unified Approach—Strategies for, by B. A. Schoomer, Jr., and A. Reisman ....Sep 118
Condensate System Saves Fuel, Water at Corrugating Plant. Sealed ....Jun 89
Condensers. Elaborations on What Happens Inside Steam Heated, by G. G. J. Ferwerda ....Jan 140
Conservation System Design for Post Offices. Evaluation of Heat, by B. E. Birdsall and W. A. Thomas ..Feb 82
Conservation System Design for Post Offices. Evaluation of Heat, by B. Birdsall and D. Galehouse ....Apr 100
Conservation System Design for Post Offices. Evaluation of Heat, by B. E. Birdsall ....Jun 109
Construction Industry Foundation Anticipates $500,000 Annual Budget ....Jul 41
Construction Will Boom, Manpower Will Still Be Problem. Building ....Jan 45
Contract Form To Serve as Guide for Subcontractors. ARI Drafts Suggested Standard ....May 78
Contractor Buying, Installing Practices. SMACNA Survey Reveals Air Handling ....Oct 41
Contractors. System Service, Minority Group Employment: Challenges, Opportunities for, by D. R. Bahnfleth ....Jun 106
Control. Fluidics Comes of Age in Air Conditioning, by R. C. Mott and D. Spethmann ....Sep 85
Control Air Systems. How To, by N. J. Janisse ....Apr 129
Control Valve Manifolds. Instrumentation Piping Design Manual—Dimensioning, by J. A. Masek ....Apr 107
Control Valve Manifolds. Instrumentation Piping Design Manual—Laying Out, by J. A. Masek ....Feb 91
Control Valve Manifolds for Steam Service. Instrumentation Piping Design Manual—by J. A. Masek ....Jun 101
Control Valves. Instrumentation Piping Design Manual—Power Positioners for, by J. A. Masek ....Jul 111
Convection Heat Transfer from Walls. Nomograph Gives Forced, by F. Caplan ....Nov 111
Convection. Nomographs Determine Heat Transfer by Natural, by F. Caplan ....Apr 137
Cooling Energy Use at Las Vegas Junior High School. Determine, by T. C. Gilles ....May 157
Cooling Sources for Existing Campus Building. Evaluate, by J. S. Blossom ....Nov 86
Cooling Tower Solves Hotel's Water Supply Problem, by N. M. Love ....Jun 104
Copper Alloy 194 Welded Tube in Heat Exchangers. Performance of, by S. F. Hager and R. S. Herman ....Nov 98
Corrosion of Building Piping Systems, by M. Meckler ....Oct 103
Corrosion Control. How To Use Electrochemical Principles in, by R. H. Hausler ....Sep 111
Corrosion of HTW Generator Tubes. How To Prevent Fire Side, by W. M. Marcinkowski ....Jan 131
Corrosion. Role of Microorganisms in Industrial, by R. A. Boehler ..Dec 62

D

Data for Economic Studies. Engineering Economics: A Unified Approach—Generation of, by A. Reisman and M. I. Taft ....Mar 117
Decentralized All-Electric System for Office Tower Perimeter. Choose, by B. Fellenbaum ....May 149
Defect, Stress Limits for Out-of-Round Pressure Piping (Open for Discussion), by C. S. Parker ....*Feb* 67
Definitions. A Matter of (Open for Discussion), by E. Brandt ....*Sep* 70
Dehumidify Compressed Air. How To, by C. L. Ringquist ....Jul 127
Depreciation. Engineering Economics: A Unified Approach—Strategies for Computing, by B. A. Schoomer, Jr., and A. Reisman ....Sep 118
Depreciation Strategies. Engineering Economics: A Unified Approach—Tax Structures and, by B. A. Schoomer, Jr., and A. Reisman ..Aug 83
Desalting Plant Will Handle 2 Million gal per Day. Brackish ....Mar 52
Directory of Engineering Societies, Associations, Institutes ....May 167
Distribution. Principles of Room Air, by H. E. Straub ....Apr 122
District Plant. Florida Tech Gets ..May 154
District Plant, Two Mile Distribution System in Three Months. Install, by R. P. Perry ....Jun 73
Distribution System in Three Months. Install District Plant, Two Mile, by R. P. Perry ....Jun 73
Domestic Hot Water Requirements. Field Research Sheds New Light on ....Oct 100
Drawing Is Fine, But . . . . Coordination by Composite (Open for Discussion), by L. O. Paul ....*Nov* 57
Drawing Not Needed If Designer Does His Job. Composite (Open for Discussion), by H. Kreisman ....*Nov* 58
Drawings—Key to Coordination. Composite, by A. Steele ....Sep 109; *Nov* 57
Drawings. Must Allow Time, Specify Procedure for Composite (Open for Discussion), by B. A. Pope ....*Nov* 58
Dual Duct Systems, by J. W. Barrett ....Jan 166
Duct Construction. Labor Costs in Metal (Open for Discussion), by J. F. Park ....*Mar* 82
Duct Design, Installation. Coordinating ....Apr 98
Duct Design Program. APEC Expands, by A. De Chiara ....Apr 144
Duct System Design. Return, by C. M. Ashley ....Feb 100
Duct Systems. The Application of Computers to Air Conditioning, by R. P. Hankins, Jr. ....Feb 96
Duct Systems. Dual, by J. W. Barrett ....Jan 166
Duct Systems. Single, by R. B. Warfel ....Jan 163
Ducts. Design, Construction of Glass Fiber, By J. B. Whatley ....Feb 109
Ducts. Design, Construction of Sheet Metal, by D. J. Mosshart, Jr. ....Feb 100; *Dec* 42
Ducts. A New Way To Calculate Pressure Drops in Triangular Shaped, by U. Nisargand ....Jan 135
Ducts. Nomograph Determines Relative Capacity of Pipes and, by F. Caplan ....Jul 115
Dust Collector. Cement Lining Stops Abrasion in Asphalt Wet ....Jul 104

E

Economics: A Unified Approach — Generation of Data for Economic Studies. Engineering, by A. Reisman and M. I. Taft ....Jan 154; Mar 117
Economics: A Unified Approach — Strategies for Computing Depreciation. Engineering, by B. A. Schoomer, Jr., and A. Reisman ..Sep 118
Economics: A Unified Approach — Tax Structures and Depreciation Strategies. Engineering, by B. A. Schoomer, Jr., and A. Reisman Aug 83
Economics: A Unified Approach — The Concept of Utility and Its Integration with the General Model. Engineering, by A. Reisman and M. I. Taft ....May 138
Economy Cycle: How Economical? The, by R. W. Haines ....Jun 86
Efficiency Testing and Application of Air Filters, by J. W. May ....Mar 140
Electric Heat Reclaim System Will Serve New International Airport. All- ....May 72
Electric Office Building Serves as Energy Utilization Lab. All-, by I. A. Naman ....Jan 127
Electric System for Office Tower Perimeter. Choose Decentralized All-, by B. Fellenbaum ....May 149
Electrochemical Principles in Corrosion Control. How To Use, by R. H. Hausler ....Sep 111
Energy Estimating Program. Building ....Mar 48
Energy Use at Las Vegas Junior High School. Determine Cooling, by T. C. Gilles ....May 157
Energy Utilization Lab. All-Electric Office Building Serves as, by I. A. Naman ....Jan 127
Engineering Economics: A Unified Approach — Generation of Data for Economic Studies, by A. Reisman and M. I. Taft ..Jan 154, Mar 117
Engineering Economics: A Unified Approach — Strategies for Computing Depreciation, by B. A. Schoomer, Jr., and A. Reisman ....Sep 118
Engineering Economics: A Unified Approach — Tax Structures and Depreciation Strategies, by B. A. Schoomer, Jr., and A. Reisman ....Aug 83
Engineering Economics: A Unified Approach — The Concept of Utility and Its Integration with the General Model, by A. Reisman and M. I. Taft ....May 138
Engineering in Medicine and Biology Formed; ASHRAE, ASME Involved. Alliance for ....Sep 46
Engineers Formed. National Federation of ....Jan 46
Entropy Diagrams for Refrigerants

500 and 12. Enthalpy-, by A. Schwartz ....Jan 150
Enthalpy-Entropy Diagrams for Refrigerants 500 and 12, by A. Schwartz ....Jan 150
Environment, His Comfort. Man, His, by A. P. Gagge ....Jan 209
Environment Concern Con-Edison, New Presidential Council. Pollution and Protection of Natural ....Nov 40
Environment. Mechanical Contractor Should Be Concerned with Total ....Jun 31
Environmental Aspects of Central Power Plant Operation ....Feb 25
Environmental Ceiling System for University's Library Addition ....Jun 42
Environmental Control for Modular Integrated Circuit Plant, by S. A. Frederickson and R. Sullivan ....Oct 79
Environmental Control for Radiation Testing of Lunar Rock Samples, by J. C. Little, W. C. Anderson, J. G. Griffith, and K. A. Richardson ....Jul 79; Aug 61
Epoxy Piping Supplies Treated Water to Aquarium. Glass Fiber Reinforced ....May 76
Equal Employment, Product Boycotts Discussed at CEC-AIA Conference ....Jun 34
Equivalent Pipe Lengths for Series and Loop Circuits. Nomograph Determines, by F. Caplan ....Sep 125
Evaporative Cooling for Mechanical Pump Seals, by L. E. Hershey ..Dec 78
Expansion Joint Failures: Topics for IDHA Meeting. Use of Computers, ...Jun 42
Expansion Thrust. Propose New Device To Eliminate Pipe, by L. E. Partch ....Oct 97

F

Fan Alone. Static Pressure Is Function of System, Not of (Open for Discussion), by J. A. Bishop ..*Sep* 67
Fan Location; Inlet, Outlet Areas. Questions Effect of (Open for Discussion), by G. W. Neal ....*Jul* 67
Fan Noise. Undue Concern for Vane Axial (Open for Discussion), by R. A. Urban ....*Jan* 108
Fan Pressure Distributions in a Ducted Air System, by E. Brandt ....May 127; *Jul 67; Sep* 67
Fan Selection Program Developed In-House, by R. G. Supple and C. L. Wilson ....Dec 73
Fan Selection. Use Total Pressure in Air System Design, by J. W. Markert ....Oct 70
Fans for Field Fabricated Air Handling Units. Selecting, by J. B. Graham ....Mar 124
Fastening Costs. How To Estimate, by J. Gladstone ....May 177
Feedwater Chemical Treatment Programs. Evaluating Boiler, by R. T. Blake ....Feb. 86; *Aug* 51
Field Fabricated Air Handling Units. Selecting Fans for, by J. B. Graham ....Mar 125
Filter System Design. Space Flight Facility Offers Challenge in, by D. W. Stanfill and J. C. Little ..Mar 109
Filters. Efficiency Testing and Application of Air, by J. W. May ....Mar 140
Fire Dampers in High Velocity Systems. Los Angeles Requires ....Oct 50
Fires Tested. Computer Simulation of ....Nov 40
Fires in U. S. Destroyed $314 Million Worth of Property in 1968. 487 Major ....Sep 44
Fittings and Flanges. What You Should Know About Welding, by J. Assini ....May 131
Flanges. What You Should Know About Welding Fittings and, by J. Assini ....May 131
Flash Tank Design and Steam Usage, by G. J. Ferweda ....Jul 99
Flexible Pads Being Used for Insulation ....Nov 42
Florida Tech Gets District Plant ..May 154
Fluidics Comes of Age in Air Conditioning Control, by R. C. Mott and Donald Spethmann ....Sep 85
40 Years. Looking Back on, by D. R. Bahnfleth ....May 111
Friction Loss Calculations. The Rewards of Organized Piping, by J. A. Hayes, ...Oct 76
Fuel Supply Manifolds. Instrumentation Piping Design Manual — Designing, by J. A. Masek ....Sep 106
Fume Incineration System for Bake Oven Emissions ....Nov 52

G

Garages. Ventilation Rates for Parking (Open for Discussion), by G. H. Hama ....*May* 99
Gas Cylinders. Safety with Compressed and Flammable (Open for Discussion), by J. A. Courter ..*Jan* 110
Gas Engines Provide Dual Service in Hospital. Natural ....Nov 35
Gas Flow at Maximum Velocity. Nomographs Determine Steam and, by F. Caplan ....Aug 91
Gas Law Calculations. Nomographs Speed, by F. Caplan ....Mar 149
Gas Reserves in Gulf. 30 Mile Long Offshore Steel Pipeline Taps Natural ....Feb 28
Generator Tubes. How To Prevent Fire Side Corrosion of HTW, by W. M. Marcinkowski ....Jan 131
Generators. Variable Flow for HTW, by W. M. Marcinkowski ....Mar 107
Glass Fiber Ducts. Design, Construction of, by J. B. Whatley ....Feb 109
Glass Fiber Reinforced Epoxy Piping Supplies Treated Water to Aquarium ....May 76
Glass Piping Transports Outside Air Samples to Monitoring Instruments ....Jan 48
Greatest Years Are Ahead. The, by W. J. Bailey ....May 117; *Sep* 70
Guides for HTW Piping Systems. Supports and, by W. M. Marcinkowski ....May 124

H

Hangar Heating Problems. Gas Infrared Radiant System Solves, by W. D. Ray ....Mar 115
Heating Guides. Examples Substantiate Plant (Open for Discussion), by K. E. Robinson ....*Oct* 57
Heating. Makeup Air and Plant, by J. C. Barrett ....Jun 92; *Oct* 57
Heating Problems. Gas Infrared Radiant System Solves Hangar, by W. D. Ray ....Mar 115
Heating for Specific Problems. Design Plant (Open for Discussion), by J. H. Clarke ....*Oct* 57
Heating System Problems. How To Analyze Hydronic, by R. E. Prescher ....Jul 96
Heating Systems. Europe Develops New Concept in Hydronic, by A. A. Field ....Oct 67
Heating Systems. Wouldn't Use Chromates in Most (Open for Discussion), by W. M. Marcinkowski ....*Aug* 51
Heat Conservation System Design for Post Offices. Evaluation of, by B. E. Birdsall and W. A. Thomas ....Feb 82
Heat Conservation System Design for Post Offices. Evaluation of, by B. E. Birdsall and D. Galehouse ....Apr 100
Heat Conservation System Design for Post Offices. Evaluation of, by B. E. Birdsall ....Jun 109
Heat Exchangers. Performance of Copper Alloy 194 Welded Tube in, by S. F. Hager and R. S. Herman ..Nov 98
Heat Gain, Heat Loss on the Desk Computer. Calculating, by D. R. Harper ....Jul 105
Heat Gain Tables. Shading Coefficient Omitted in Solar (Open for Discussion), by A. D. Hackel ....*Mar* 81
Heat Pipe: Space Spinoff for Heat Transfer. The, by G. Y. Eastman ....Dec 57
Heat Pumps. A Procedure for Designing Solar-Earth, by E. B. Penrod and K. V. Prasanna ....Jun 97; Nov 104
Heat Reclamation? Here Are Your Options. Considering, by R. A. Japhet ....Apr 89
Heat Reclaim System Will Serve New International Airport. All-Electric ....May 72
Heat Transfer Calculation. Charts Aid Radiant, by F. Caplan ....Jan 187
Heat Transfer. The Heat Pipe: Space Spinoff for, by G. Y. Eastman ....Dec 57
Heat Transfer by Natural Convection. Nomographs Determine, by F. Caplan ....Apr 137
Heat Transfer from Walls. Nomograph Gives Forced Convection, by F. Caplan ....Nov 111
Heat Treatment for Welding Problems. Local ....Nov 52
High Velocity Systems. Los Angeles Requires Fire Dampers in ....Oct 50
High Rise Buildings Formed in Chicago. Interdisciplinary Committee on ....Nov 35
High Temperature Water Without Pressure Vessels, by A. A. Field ....Dec 121
Hiring Hall Agreement Limitations ....May 223
Hiring Hall Practices. Illegal ....Apr 183
Hiring Hall Standards. Supreme Court Says No to Board's ....Jun 159
Hiring Halls. Exclusive and Nonexclusive ....*Jul* 179
Hospital Converts General Patient Area to Intensive Care Unit, by

A. Krapek ....Jul 93
Hospital. Natural Gas Engines Provide Dual Service in ....Nov 35
Hospital. Utility Costs in (Open for Discussion), by J. W. Manz ....*Apr* 76
Hotel's Water Supply Problem. Cooling Tower Solves, by N. M. Love ....Jun 104
Hot Water Requirements. Field Research Sheds New Light on Domestic ....Oct 100
HTW Generator Tubes. How To Prevent Fire Side Corrosion of, by W. M. Marcinkowski ....Jan 131
HTW Generators. Variable Flow for, by W. M. Marcinkowski ....Mar 107
HTW Piping Systems. Supports and Guides for, by W. M. Marcinkowski ....May 124
HTW Pressure Tanks? Why Insulate (Open for Discussion), by T. Raben ....*Oct* 58
HTW System Relief Valves Adequate? Are Your, by D. F. Watson and J. W. Halliday ....Sep 90
HTW System? Why Install Two Pressure Tanks in a, by W. M. Marcinkowski ....Apr 96; *Oct* 58
Hydraulic Gradient. Ingenious Method of Plotting (Open for Discussion), by A. Steele ....*Jul* 70
Hydraulic Gradients. A Method of Plotting, by G. P. Banerji ....Jun 81; *Jul* 70
Hydronic Balancing. How Venturis Assure, by R. R. Miller ....Oct 92
Hydronic Heating System Problems. How To Analyze, by R. E. Prescher ....Jul 96
Hydronic Heating Systems. Europe Develops New Concept in, by A. A. Field ....Oct 67
Hydronic Systems Is Possible. Improved control of, by P. D. Dieterich ....Jul 108

I

Incineration System for Bake Oven Emissions. Fume ....Nov 52
Induction Systems. Evaluating All-Air Cooling, by M. Meckler ....Jan 177
Infrared Radiant System Solves Hangar Problems. Gas, by W. D. Ray ..Mar 115
Inspection Service for Piping, Vessels ....Nov 37
Instrumentation Piping Design Manual — Control Valve Manifolds for Steam Service, by J. A. Masek ..Jun 101
Instrumentation Piping Design Manual — Design of Special Service Manifolds, by J. A. Masek ....Aug 79
Instrumentation Piping Design Manual — Designing Fuel Supply Manifolds, by J. A. Masek ....Sep 106
Instrumentation Piping Design Manual — Dimensioning Control Valve Manifolds, by J. A. Masek ....Apr 107
Instrumentation Piping Design Manual — Laying Out Control Valve Manifolds, by J. A. Masek ....Feb 91
Instrumentation Piping Design Manual — Power Positioners for Control Valves, by J. A. Masek ....Jul 111
Insulation. Flexible Pads Being Used for ....Nov 42
Insulation. Selecting Piping System, by J. F. Malloy ....Mar 153
Intensive Care Unit. Hospital Converts General Patient Area to, by A. Krapek ....Jul 93
Interdisciplinary Committee on High Rise Buildings Formed in Chicago ....Nov 35

J

Joints. Method of Resealing, Reinforcing Tubing ....Jan 60
Jurisdictional Dispute: Employer's Choice Tips Scale ....Oct 165

L

Lab. Variable Air Supply Conditions New, by P. Lujan and R. G. Supple ....Oct 89
Labor Costs in Metal Duct Construction (Open for Discussion), by J. F. Park ....*Mar* 82
Labor Problems. NAM Urges Greater Cooperation Between Industry, Government To Solve ....Jul 52
Laminar Flow Clean Room for Color TV Tube Production. Vertical ..Mar 42
Laminar Flow Clean Rooms. Return Air Through Perforated Panels in High Bay, by D. W. Stanfill and J. C. Little ....Dec 68
Leakage Problem. Essence of Peppermint, Infrared TV Solve Cathedral's Piping ....Feb 26
Library Addition. Environmental Ceiling System for University's ....Jun 42
Lifting Heavy Refrigeration Equipment. World Record for ....Nov 45
Linear Programing Model for Multizone Unit Space Allocations. A, by R. A. Gordon ....Nov 123
Load Program. How One Office Uses APEC's, by E. C. Jones ....Jun 123
Lunar Rock Samples. Environmental Control for Radiation Testing of, by J. C. Little, W. C. Anderson, J. G. Griffith, and K. A. Richardson ....Jul 79; Aug 61

M

Makeup Air and Plant Heating, by J. C. Barrett ....Jun 92; *Oct* 57
Makeup Air Systems Grow in Size. Packaged ....Oct 48
Man, His Environment, His Comfort, by A. P. Gagge ....Jan 209
Management Field. New Organization To Serve Needs of Project ....Dec 32
Manifolds. Instrumentation Piping Design Manual — Designing Fuel Supply, by J. A. Masek ....Sep 106
Manifolds. Instrumentation Piping Design Manual — Design of Special Service, by J. A. Masek ....Aug 79
Manifolds. Instrumentation Piping Design Manual — Dimensioning Control Valve, by J. A. Masek ....Apr 107
Manifolds. Instrumentation Piping Design Manual — Laying out Control Valve, by J. A. Masek ....Feb 91
Manifolds for Steam Service. Instrumentation Piping Design Manual — Control Valve, by J. A. Masek ..Jun 101
Manpower Will Still Be Problem. Building Construction Will Boom, ...Jan 45
Materials. Plain Talk About Selecting Process Piping, by C. H. Samans ....Sep 95
Minority Group Employment: Challenges, Opportunities for Contractors. System Service, by D. R. Bahnfleth ....Jun 106
Mechanical Contractor Should Be Concerned with Total Environment ....Jun 31
Mechanical Contractors Use Digital Computer. Survey Shows How ..Mar 41
Mechanical Design for Blue Cross/Blue Shield Offices, Computers, by R. R. Miller and D. H. Fischer ....Aug 55
